House Members Waiting List for Regular Membership in Order

I hope you all have seen the posting board at the club or on our web page with the monthly members page along with new proposed members postings. I encourage all of you to become familiar with our newest members by reaching out and introduce yourselves to them.

Lastly, Thank you all for your support as we continue to make LCC “one of the best kept secrets” in Connecticut. As I survey other area clubs every year, the take away is LCC provides more activities with Paddle, Pool, Tennis and Golf (not to mention our wait staff and Rob’s Culinary skills) then those surveyed and we offer a better value for both membership and initiation fees even with the recent small increases. If we continue to keep our membership vibrant then our value will continue to outweigh the other clubs and keep our membership fees reasonable.

I welcome volunteers to the membership committee to help reach out within our community to continue to source new members that would add and enhance our membership.

As always I welcome questions and comments on Membership issues and can be reached at Bruce_Losee@B-F.com or 860-283-1849.
